Subject: Letter of Support for PNM - Kathryn "Katie" E. Brown - 2014 Grad of Houston Spirit High School - Freshman at Texas A&M University

Dear Cathy,

It is my pleasure to nominate **Kathryn "Katie" E. Brown** to the women of the chapter. Katie is a leading graduate of Houston Spirit High School. She demonstrates the high standard of ethics and personal conduct our sorority seeks. She is a positive role model and is both a strong leader and a team player.

Katie has been recognized for her leadership and campus involvement. Katie received the Outstanding Senior Woman recognition in March; she was chosen among the 300 women in her class at Houston Spirit High School. This honor is voted upon by faculty serving the senior class - a very significant and prestigious award at Houston Spirit.

Katie is an award-winning gymnast and four-year member of Spirit's dance team. She has likewise competed in competitive gymnastics on a club team since she was in middle school. She trains at High Flyers Gymnastics in west Houston. Katie knows several members of the Texas A&M Gymnastics squad, including Annie Arial. It may be advisable to pair her with a member with a background in gymnastics or dance.

Katie enjoys some strong ties to students at Texas A&M as well as relationships with some other Greeks on campus:

- Katie knows chapter members Whitney White, Rebecca Red, Betsy Black, and Olivia Orange. They are all acquainted via high school or gymnastics. Olivia also attended high school with Katie's cousin at TAMU, Bill Brown.
- Katie is spontaneous and likes to have fun, but she doesn't require the "party scene".
- Katie's cousin, Bill Brown, is in a fraternity at TAMU. He has a strong connection with women in both Alpha Beta Gamma and Delta Epsilon Zeta sororities.
- Katie is a ABG Legacy! There are several Alpha Beta Gamma members from Houston Spirit High School; be assured they will recruit Katie with high interest!

Katie's fun nature and contagious personality make her a popular friend. She is well-liked and well-respected by her peers, teachers and community members. This talented PNM is a genuine and beautiful young woman – both inside and out.

Loyally,

Patricia M. "Patsy" Pomegranate (Omicron Chapter – The University of Illinois, 1977)
